Re: Reference for Bombshella band

To Whom It May Concern;

In the past 20 plus years, I have had the experience of promoting over 400 live concerts. Most of these events have been in arenas and major theatres with international touring acts (ie Nickelback, INXS, Bob Dylan, Bryan Adams, Collective Soul, Snoop Dogg, etc.) but I have also worked with some top notch 'cover' acts.

This past summer, I had the privilege of working with a Kamloops act, Bombshella for a private event. We needed a band to deliver 80's music plus current rock hits. I was impressed with their music ability, set selection of songs, ability to 'read' the audience, and their professionalism. If I had the need, I would not hesitate to hire them again!

If you require any further info, please do not hesitate to call me.
